

UM ProMix

HD Streaming Gaming USB Mic

UM ProMix is a studio grade mic with high-quality and clear sound. It features gain control, headphone volume control, mute control and mix control. The cardioid pattern reduces background noise, ensuring your voice perfectly heard. The zero-latency headphone monitoring port lets you listen to what you're recording in real-time. It is ideal for everything from studio vocals, gaming, streaming, podcasting, singing editing and desk recording works, home office and business use.
