

UM12 Table Stand Kit

Studio grade USB microphone budget kit

UM12 Table Stand kit is a budget starter kit with volume control, mute control and stylish ring. The gain control button allows you to adjust the input volume and mute the mic with one click. The cardioid polar pattern focuses on sound pickup in front of the mic and isolates background noise from the sides and rear, coupled with the convenient 1.8m USB cable, optimal for live streaming, gaming, video conferencing, and recording songs, online chat and podcast. Plug and play to start audio creation right away.
