

USB BigPro 34L2

High quality RGB Microphone Pro kit

USB BigPro 34L2 is a high grade RGB Mic Pro kit with double side 34mm fine tuning golden plated capsule with low cut(100Hz) and Pad Switch(10dB). It features gain control, headphone volume control, mute switch, and RGB background light. The cardioid pattern reduces background noise, ensuring your voice perfectly heard. The zero-latency headphone monitoring port lets you listen to what you're recording in real-time. The multi-color background Light lights up your setup. Ideal for everything from studio vocals, gaming, streaming, podcasting, desk recording works, home office and business use.
