## Design Mic Arm Stand with USB Hubs

Design Arm USB is a New design Pro arm stand with 2 USB hubs fitting all USB microphones. It is newly designed with ample arm length and angle, metal body with internal spring, which is both quiet and flexible. The 2-port USB hub adds extra convenience for you. Hidden cables (total USB cable 2.5m) can save the desktop the mess of tangled cables and free up a lot of space.

Ideal Choice for Widely Application - No matter streamer, Youtuber, recording artist, or podcaster, the portable sturdy boom arm mic stand will hold your microphone well without disturbing your setup.
